The Gospel of Leadership Ryan Krupa 2018-09-21 This book is an odyssey into the truth of leadership's nature and essence. Written for aspiring leaders, teachers of leaders, and followers, the aim is to practice awakening a leader's potential. The book mirrors and reflects the inner nature of the leadership journey. It is written in a contemplative style and uses dialogue to exercise a leader's will, intelligence, and spirit. The techniques taught in these chapters are dialogue, meditation, and contemplation. The author seeks to teach leaders how to exercise the power of will and the power of intelligence to make the kinetic chain of knowing, willing, and acting morally and intellectually strong. Reading this book serves as a leadership development exercise. This book is a teaching tool designed to demystify what takes place in the interior nature of a leader. It examines a leader's soul, as it is exercised and strengthened in preparation for the cardinal act of leading, and it analyzes the act of making practical judgments, an act that demands the cultivation of a discerning mind to see and know the truth to be acted upon. Based on a true story, these chapters are a reflection on the formation of a leader and a realization of twenty years of research. The author studies the question: What does it take to develop a leader? Deliberations on eight years of guiding leaders on moral and intellectual quests in search of true freedom are revealed.

Unveiled Truth Gail Goolsby 2019-11-19 What Woman Would Willingly Move to Afghanistan? No woman in her right mind would choose to live in war-ravaged, male-dominated Afghanistan unless she had the golden opportunity to lead the best school in the country. In 2005, following the tragedy of September 11, 2001, Gail Goolsby reluctantly found herself the founding principal of the International School of Kabul in Afghanistan. The how, when, and why make for a captivating and insightful story. Unveiled Truth pulls back the curtain of distant cultures and reveals the challenge of overseas living. With humor and transparency, Gail shares dramatic scenes from her seven years in Kabul and unveils the lessons she learned. Mortar blasts, campus lockdowns, work disputes, cultural restrictions, and the lack of daily conveniences are some of the many challenges she faced. Though her time in Afghanistan proved difficult, Gail chose to stay, hoping to improve the lives of young people caught up in a treacherous world. In this book, Gail encourages us to view Afghan culture in a new light, teaches us what she learned about responding to personal failures and relational difficulties, and inspires us

to give of ourselves, so that in the process, we too can be irrevocably changed, just as Kabul forever changed her for the better.

The Truth Unveiled 1844

The Truth Unveiled Hazrat Mirza Ghulam Ahmad 2016-06-01 Islam is a religion that inculcates the importance of being loyal to the country in which one lives. Hazrat Mirza Ghulam Ahmad, peace be upon him, the Promised Messiah and Mahdi, and Founder of the Ahmadiyya Muslim Community, always taught the same to his followers. However, Maulvi Muhammad Husain of Batala, a staunch opponent, sought to defame the author by sending false reports to the government alleging that the Promised Messiah, peace be upon him, was a man who secretly conspired against the state. Against this backdrop, the author was moved to pen this treatise, in which he outlines his own family background and the long-standing services of his family in support of the British government. He also presents a succinct summary of the teachings of his community. Moreover, the author explains that Muslims who believe in the return of a violent Mahdi who would forcibly convert the world to Islam could not be further from the truth.

The Naked Truth Unveiled C.E. Young 2021-03-10 What are the odds... - those who preach righteousness are not right? - today's Christians are not followers of Christ? - biblical truth, as it is known today, cannot be trusted? Before the enemy's damnation to earth he held a place in heaven as the covering of God. The name given to Lucifer by God Himself, covering cherub, holds truth many believers have not heard. Insight into the reasons for Satan's fall from grace foreshadows the impending future of the Christian church. Hidden in the account of a vision, told by Ezekiel, a prophet of old, is the beginning of an untaught truth about coverings unquestionably tethered to the Christian faith. Peculiarly embedded in scripture from Genesis to Revelation, even those who lay claim to an absolute, gospel truth, will find this uncovered teaching hard to deny. Presented in simplistic format, with supporting scriptures, The Naked Truth Unveiled unleashes never heard before truths found in the Bible. Each chapter builds on the next leading to an ultimate, unmistakable revelation that will change what believers believe.
